

## **Programme 1**

### **Dogsledging days in Merasjärvi**

This special programme is taylormade for people/groups, who like to experience dogsledding in Lapland.

You are accommodated 4 nights in a log cabin directly on the huskyfarm. For your independency a rental car is included in the programme during the whole stay.

Activities such as snowshoe trips or ice fishing can be offered in the afternoons.

#### **Day 1**

Arrival at the airport in Kiruna. 60 minutes transport by rental car to your accommodation on our huskyfarm. On the way there you have the possibilty to do some food shopping. The cabin is fully equipped for self-housekeeping so that you can prepare your own meals there. Ccheck-in.

#### **Day 2**

Introduction in how to run a dog-team. Everyone drives his own dog-team (4-5 dogs) and we start for a first trip to the wilderness.

#### **Day 3+4**

2 Day-trips with your own sleddog-team. We'll follow the track behind the guide and prepare lunch together in the woods over open fire or in a cabin. After the dogs rested we'll start our journey back to the farm.

#### **Day 5**

Transport to the airport in Kiruna. On your way back to the airport you may stop for a visit at the famous Icehotel in Jukkasjärvi.

#### **Included:**

Rental car day 1-5, accommodation & 4 nights in a log cabin on the husky farm incl. self-housekeeping, 2x sauna, extra personal equipment (overall; gloves, boots), wildernesslunch on the activity days (2- 4), activities as described above, english-speaking guide

**Participants:** 2 - 6 persons

**Period:** Arrival on agreement from December to April .

Price per person from/to Kiruna airport:
